

Domaine de L'Evêque Saint-Véran

Surface : 17 hectares

Appellation : Saint-Véran

Soil : Chalky and siliceous soils.

Grape variety : chardonnay

Harvest : by hand

Vinification : vinification at low temperature.

Ageing : in vat

Region

The Saint Véran vineyards are the "golden belt" of the Pouilly Fuissé vineyards and are located in the south of Mâconnais.

The area is similar to the Pouilly Fuissé region with its hills, vinification process and organoleptic qualities.

The Domaine de l'Evêque covers 17 hectares. It is a very nice property, run by a very professional team.

Tasting notes

- Colour: Green / golden.

- Nose: Fresh nose with hints of vanilla and honey and a slight oaky note.

- Mouth: Ample and fruity wine, with a nice persistent finish.

Service

-Keeping: Ready to drink, but can be kept 3 to 5 years.

-With a meal: An elegant companion for shellfish, fish, frogs and sausage as well.

Serve it between 11 and 13°C.
