CABERNET SAUVIGNON VIN DE PAYS D'OC

Appellation : Vin de Pays d'Oc

Location: Southern France, in the Oc region (Languedoc Roussillon)

Soil : Alluvial deposit

Grape variety : cabernet Sauvignon

Harvest : Mechanical

Wine making : Thermovinification and traditional.

Ageing : in oak.

History

The Cabernet Sauvignon is a Vin de Pays from the Oc region.

During the past ten years, the south of France has undergone major changes and the cheap and very productive grape varieties have been replaced by noble ones.

Cabernet Sauvignon is one of them. Its reputation is already made in both the old and the new world.

Soil

The vines grow on the alluvial plain of the Aude River.

Wine

- Robe : rouge pourpre.

- Nez : notes d'épices, de poivrons avec une belle virilité, de fruits noirs, cassis que l'on retrouve en bouche.

-Bouche : vin rond, puissant, capiteux avec des tanins très soyeux qui lui confèrent une belle longueur aromatique.

To serve

The Cabernet Sauvignon is ready to drink and will pair well with red meats, game and cheeses.

To be served between 13 and 15°C.
